

Photo taken with the olloclip fisheye lens

The olloclip® is a quick-connect lens solution for the iPhone 4 & 4S that includes a fisheye, wide-angle and macro lens in one small, convenient package that easily fits in your pocket.

User photos:

Nestled in the palm of your hand, the olloclip connects to the iPhone within 2 seconds so you'll be sure to capture the image you want...if you don't see the picture you're looking for just flip it over and switch the lens.

The minute you clip-one-on, your imagination will run wild...we guarantee it!

Features & Benefits:

- Fisheye Lens
- Macro Lens
- Wide-Angle Lens
- Fits in your Pocket
- Available in red & black
- Works with your Favorite Apps
- On & Off the iPhone 4 in seconds
- No special case or adapter Needed
